Teams can elect the fastest finger of their team to push the buttons.

All correct answers score points, but the speed that you answer the question correctly, scores the most points.

2 large screen monitors in the function room show team results as the night progresses.

A minimum of 4 players per team. Function room doors open at 5.30 pm so you can take your meals to your reserved table, should you wish to have dinner there.

Game time starts at 7pm.

Numbers are restricted to 200, so be quick to book your table. Raffles will be held throughout the evening giving everyone a chance to meet some of the on air announcers.
